GOVERNMENT HOUSE,
MYSORE.

DEC 20
G.P.

30/5-

My dear Maharaja Sahib

I do not quite know
that the custom in Mysore on
the King's birthday is and I
also believe that the date has
not often coincided with your
Birthday were but of this
I am quite sure that I and

all other of the guests, who are enjoying Your Majesty's delightful hospitality, would feel honored and proud, if on this occasion Your Majesty would come to Government House after dinner on June 4th. and propose His Majesty's

health. It would appear particularly appropriate, when the two birthdays fall on the same day.

With my kind regards

Yours sincerely
